

The Wettstein and Palazzo hotels are joining forces and will continue to welcome guests under the joint name Hotel Wettstein.

Two become one!

The merger also means we will be carrying out some conversion and modernisation work for the benefit of our guests. You can look forward to more comfort and more Kleinbasel!

For this purpose, the Palazzo will close its doors from 18 January to 13 March 2016. The “old” Wettstein with its 43 rooms will remain open during this project phase. Regrettably, the business corner, the bar and the gym will not be available at this time.

In the next phase, the “old” Wettstein will be renovated and will hence be closed from 28 March to 5 June 2016. The former Palazzo is scheduled to reopen – freshly refurbished – under the Wettstein name with 30 new rooms and a new lobby. The business corner and the bar will be up and running again, the gym will require a bit more time for completion.

Once completed, the new operation will also offer a modern gym and a new seminar room for up to 20 persons.

We look forward to welcoming you to our “new” *** superior Hotel Wettstein in the heart of Basel!
